we create custom promotional products

What We Offer:

- Diverse Product Range: Promotional Items and Employee Gifts
- Tailored Solutions: Meeting the Unique Needs of Your Company

Why Our Products?

- Environmental Impact: Eco-friendly materials, reducing carbon footprint
- Social Impact: Supporting inclusion through UPA (Unitate Protejată Autorizată)
- Economic Impact: Facilitating sustainable local jobs

Products that Contribute to Your Sustainability:

- Our Offerings = Your Sustainability
- ESG Imperative: Aligning Companies with Environmental, Social, and Governance Indicators
- Achieving Impact: Influencing Both Environmental and Human Factors

YOUR TRUSTED PARTNER

We aim to enhance our clients' commitment to sustainability.

Partener strategic:

We transform (your) banners into your products

Upcycling is the most eco-friendly way to reuse the waste generated by all companies that use OOH advertising campaigns.

Don't have any banners or materials?

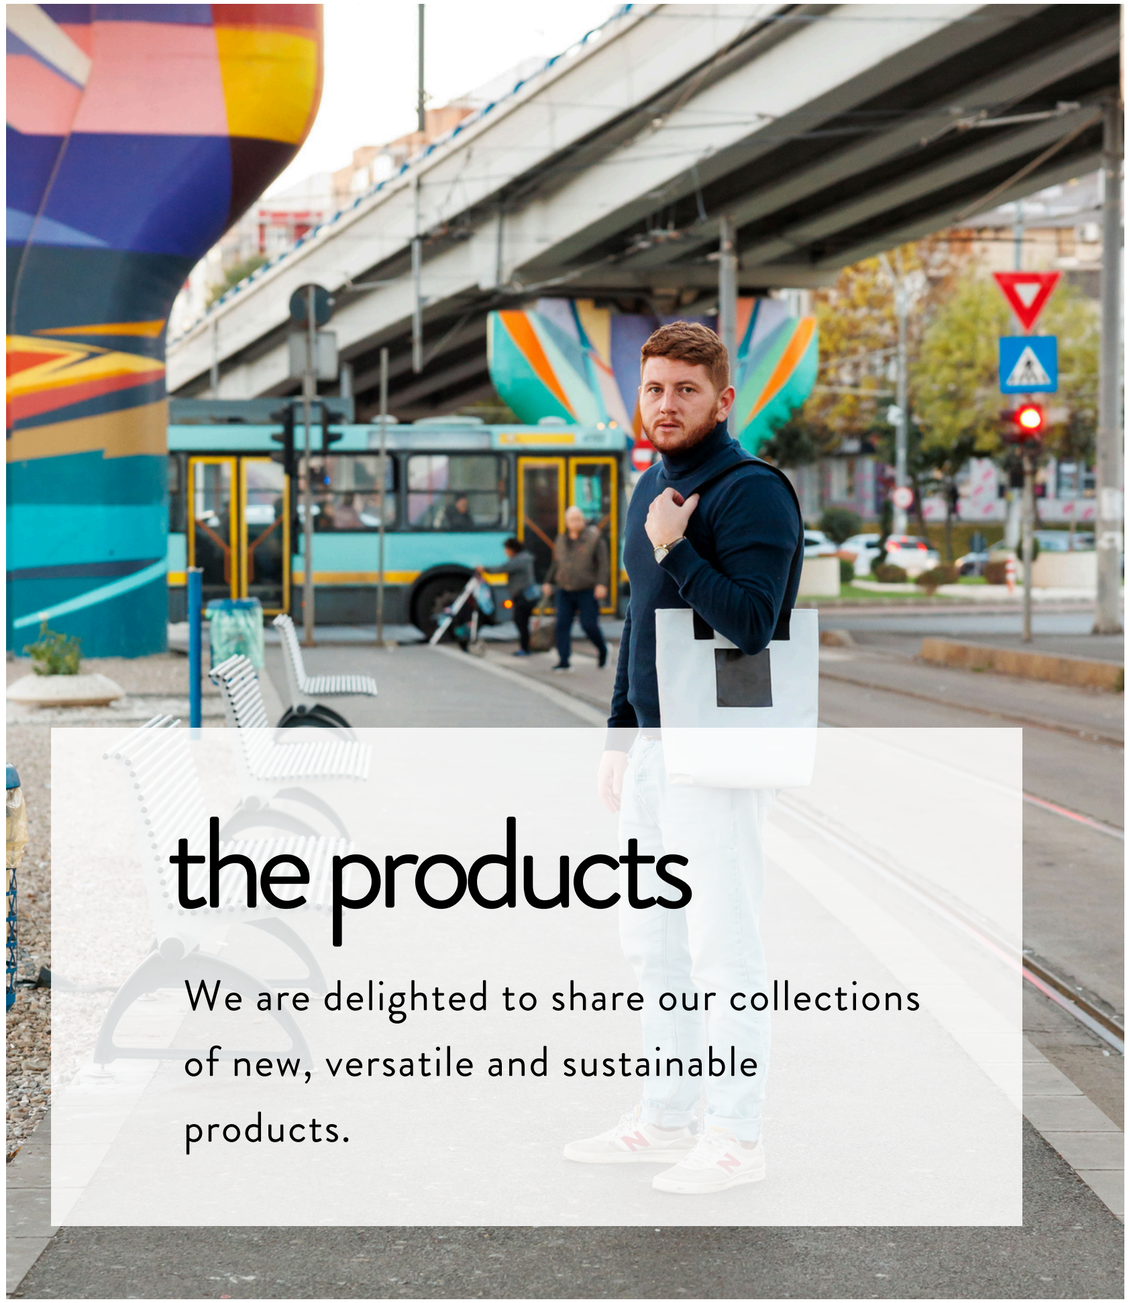

NO PROBLEM! WE'VE GOT YOU COVERED.

We've got a **diverse range of in-stock materials** ready for customization to align with your brand.

Our sewing production team **upcycles the giant billboards by cutting them into smaller pieces**, cleaning them, and sewing them in Romania, creating and supporting green local jobs!

the products

We are delighted to share our collections of new, versatile and sustainable products.

Bring a more sophisticated and contemporary style to your

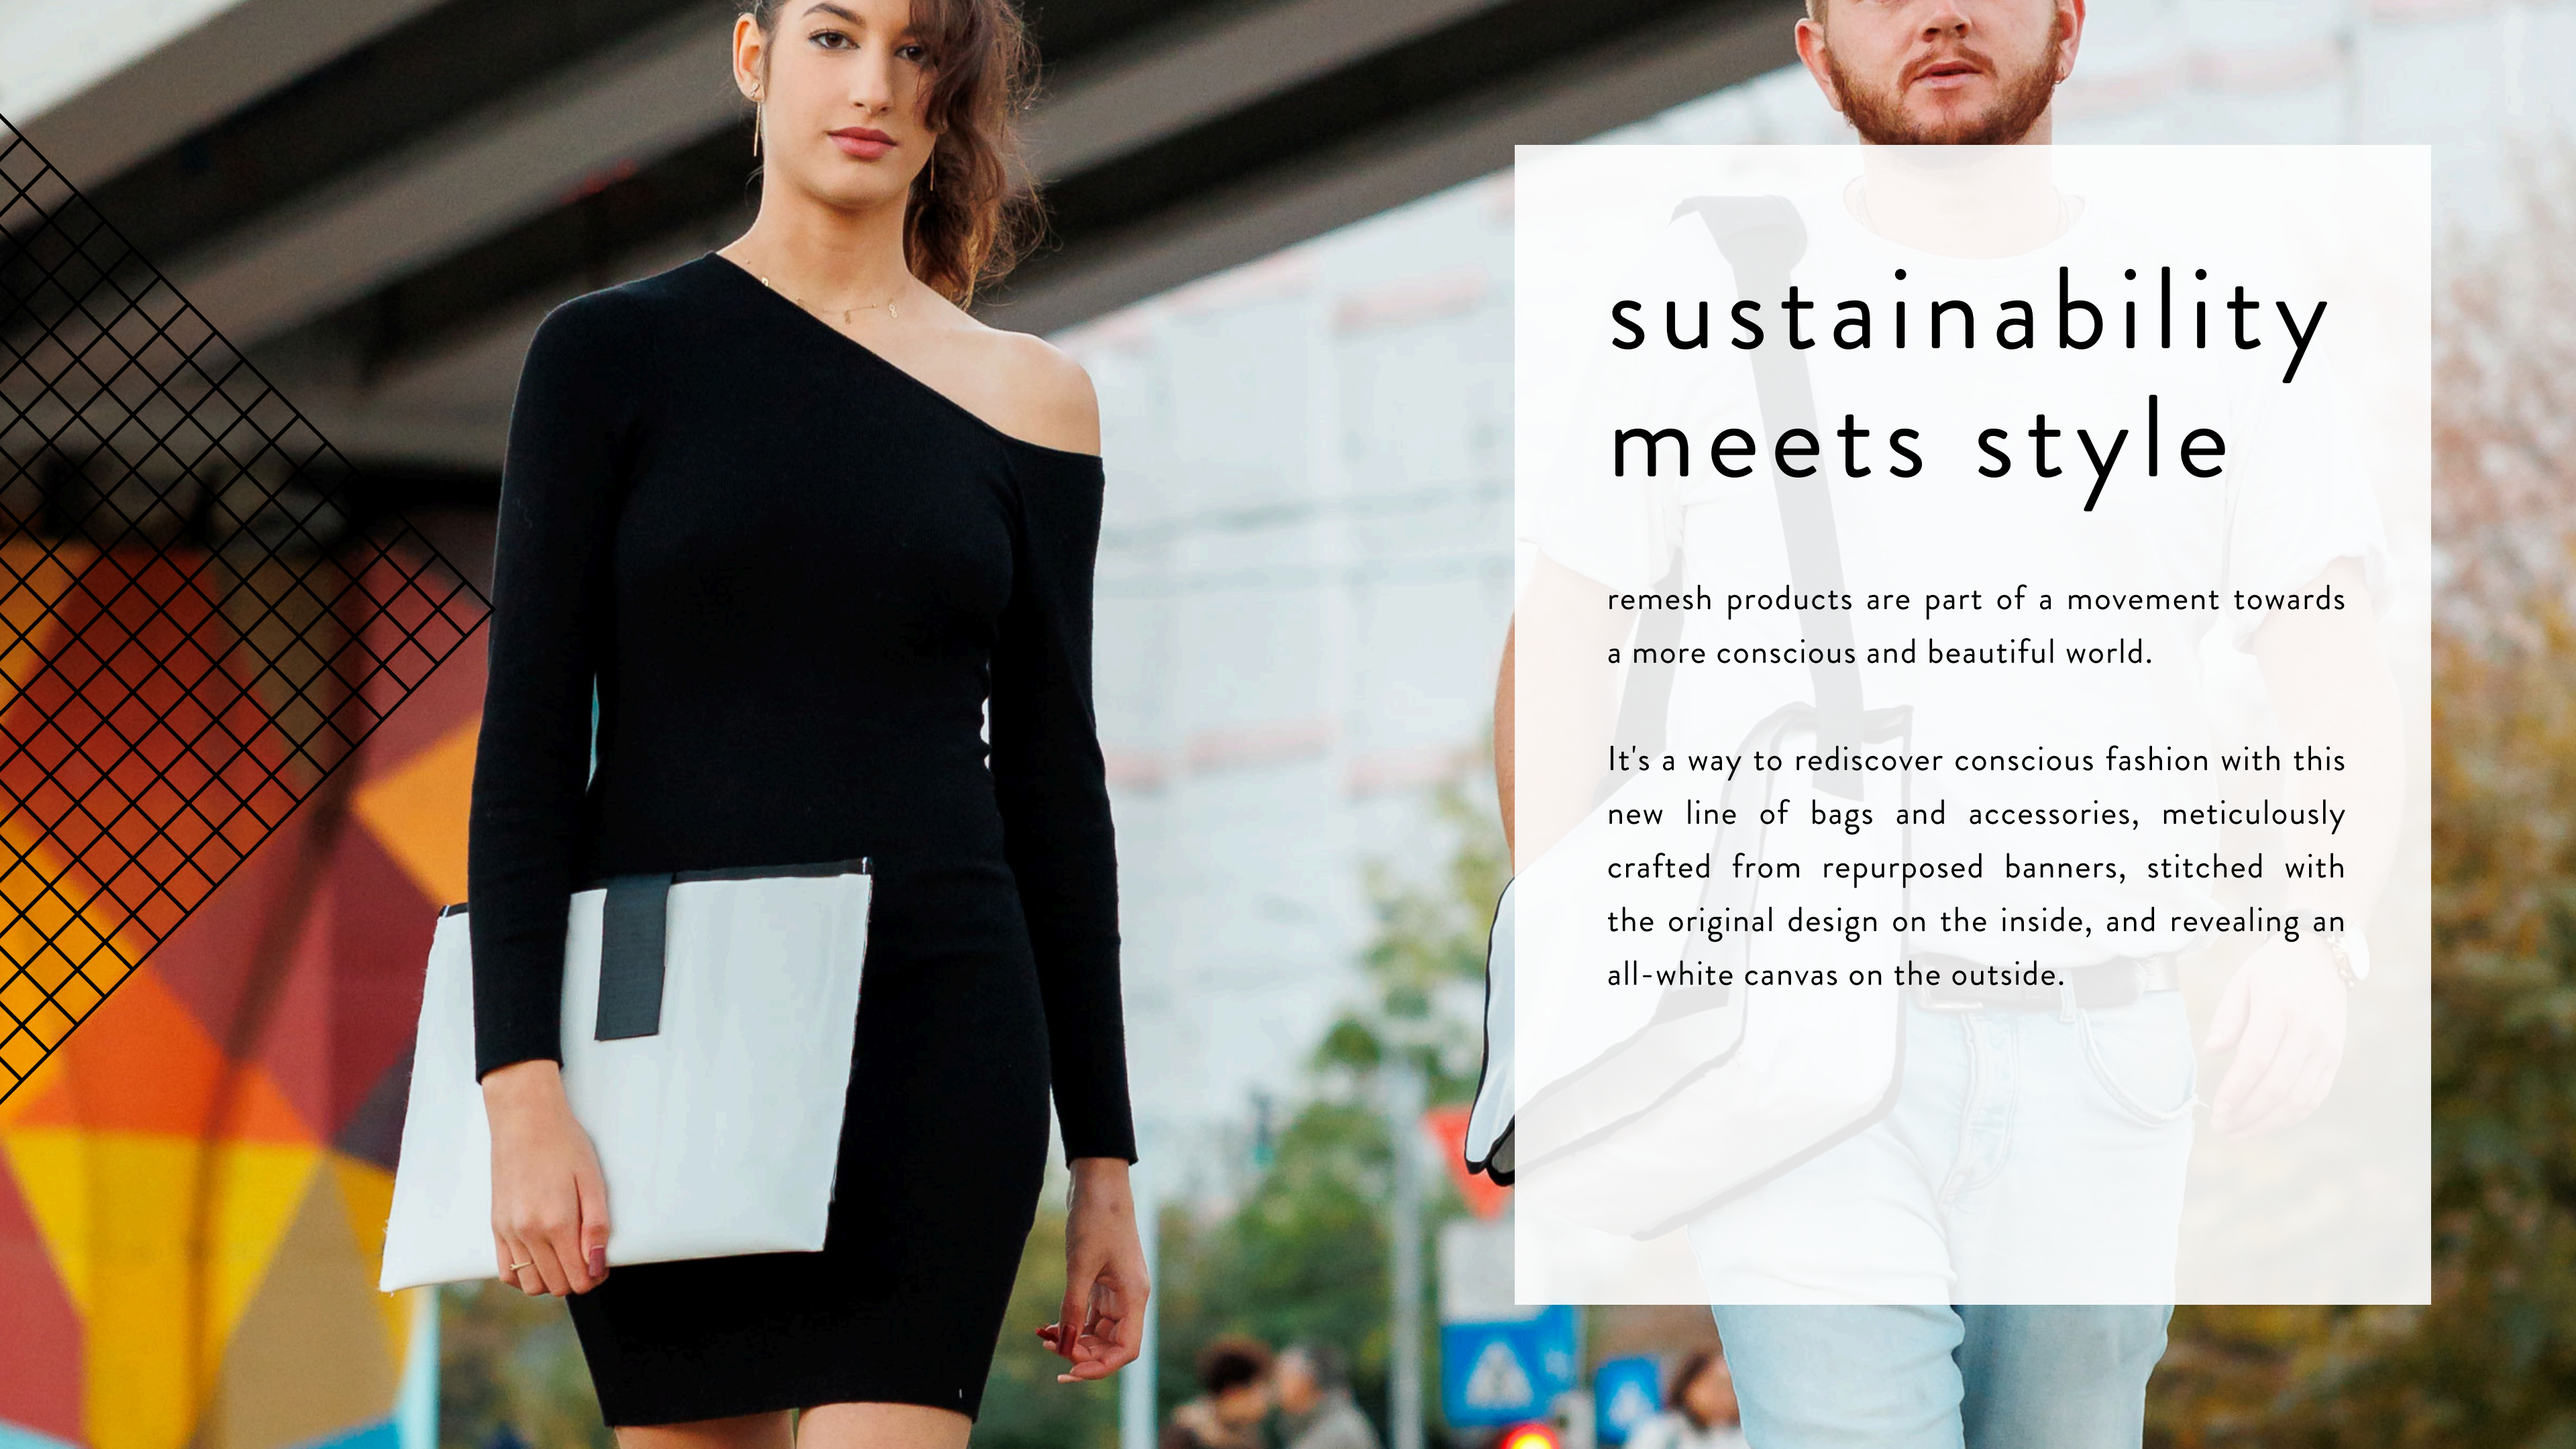

customers/ clients/ employees/ event participants

providing practical products enhanced with refined details such as linings and finishes, while customization with your branding completes the experience.

stand out

THE CREATIVE INSPIRATION

sustainability meets style

remesh products are part of a movement towards a more conscious and beautiful world.

It's a way to rediscover conscious fashion with this new line of bags and accessories, meticulously crafted from repurposed banners, stitched with the original design on the inside, and revealing an all-white canvas on the outside.

Introducing the Wastebasket Bin for Recycling - Your All-in-One Solution.

If you're looking for a highly efficient recycling solution for your home, office or school, our Wastebasket Bin is perfect for you!

The set comes with three separate bins, each designated for a specific recyclable material: Blue for Paper, Green for Glass, and Yellow for Plastic & Metal.

STAND OUT - TELL YOUR STORY!

Add your message and logo on the item of your choice.

Recycled paper hang tag

Mesh rectangle sewed tag

Mesh rectangle sewed tag

To apply the design (message and/or logo) onto the products there are different methods that we can use:

- patch work
- hang tag attached
- printing

Recycled paper hang tag telling the environmental and social impact behind the product

TELL THE STORY

remesh aligns with Law no. 448/2006, ensuring a minimum of 4% disabled employees.

By purchasing from UPAs like remesh, not only can you showcase your company's unique image but also ensure employee comfort and save costs.

Romanian legal entities with over 50 employees can partner with UPAs, decontaminating up to 50% of the minimum gross base salary. Beyond expense benefits, supporting UPAs contributes to sustaining employees from vulnerable groups and promotes a socially impactful business model.

Partnering with an Authorized Protected Unit brings advantages to your company, the local community, and the authorized protected units by supporting employees from vulnerable groups and fostering a socially responsible business model.

remesh is UPA

Unitate Protejată Autorizată
(Authorized Protected Unit)

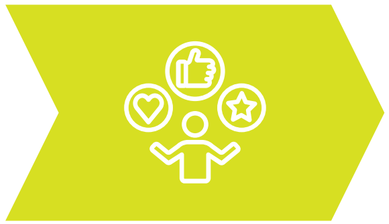

HOW TO ORDER

1 - Product Selection

We discuss what suits your event or context and provide expert consultation.

2 - Personalization

We agree on customization details (logo, message, labels, hang tags).

3 - Quotation

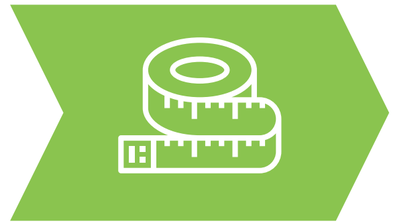

We provide a detailed offer, including customization options and delivery terms.

4 - Contract

We agree a Unitate Protejată Autorizată (Authorized Protected Unit, UPA) contract or a standard contract as needed.

5 - Material Calculation

We calculate the number of products based on the material surface (if provided by the you, if not we have you covered), considering production from the moment the material enters the workshop.

4 - Production

Material Delivery – If using client-provided material, it is sent to the specified address.

Once the material arrives, production begins according to the agreed-upon terms.

- **Social Impact**
- **Sustainability**
- **Local Economic Support**

Engaging with remesh not only supports social impact by creating job opportunities for individuals with disabilities but also promotes environmental sustainability through repurposing materials, reducing waste, and fostering a circular economy, while contributing to the growth of the local Romanian economy.

Quality Products

With ISO 14001 and ISO 9001 certifications, remesh adheres to rigorous quality management standards and underscores commitment to environmental responsibility.

Sustainability & Environment Award

The award recognizes our efforts in transforming nearly 20,000 advertising banners into functional products and providing employment opportunities for marginalized individuals.

WORK WITH US

remesh is your trusted partener to:

- Develop intelligent and eco-friendly cool, promotional, and retail products.
- Showcase your organization's dedication to environmental stewardship.
- Minimize your waste footprint and associated management expenses.
- Generate positive, newsworthy stories.
- Stretch your budget by capitalizing on UPA benefits.
- Promote your brand effectively and memorably.
